Case No. 2:24-cv-01757-CDS-MDC

3 v.

4 Oyo Hotel & Casino, LLC

5 Defendant

6  
7 Pro se plaintiff William H. Ball initiated eight age discrimination lawsuits on August 8,  
8 2024.<sup>1</sup> The district judges and magistrate judges agreed that those eight cases involved similar  
9 claims and similar questions of law and fact; and for that reason, the cases were assigned to a  
10 single district judge and magistrate judge.

11 On September 19, 2024, Ball initiated another five age discrimination lawsuits. The cases  
12 all assert that Ball was not considered as a candidate for employment because of his age. Under  
13 Local Rule 42-1 (a), an action is considered related to another action when:

14 (1) the actions involve the same parties and are based on the same or similar claim;

15 (2) the actions involved the same property, transaction, or event;

16 (3) the actions involve similar questions of fact and the same question of law, and  
their assignment to the same district judge or magistrate judge is likely to effect a  
substantial savings of judicial effort; or

17 . . .

18 (5) For any other reason, it would entail substantial duplication of labor if the  
actions were heard by different district judges or magistrate judges.

19 LR 42-1(a).

20 Because these actions involve similar questions of fact and law, and their assignment to  
21 the same district and magistrate judge is likely to result in a substantial savings of judicial effort,
